Dear Dr. Kaminski: As I mentioned, I am currently working in Credit Risk Assessment department in Enron North America (ECA). I have been at ECA for only a year and half and I have noticed that I have a chance to work in following department: Venture Capital I would appreciate if you can indicate where I can find market positions and calculate MTM for those positions? I have been using the book Risk Management: Finance and Accounting and recently I got an idea for using Monte Carlo method to asses the numerical variability of the results. Thanks Katarina P.S. Many thanks for your help.
