Bending swords, casting spells, and conducting actions in real time will have a new meaning as you wield your own sword in the Lands Between, a mythic world where reality is a fleeting world full of excitement. This is a fantasy action RPG where you can freely choose your character and the path you follow. We're sorry that we can't tell you the exact time that we'll be releasing the game, so please look forward to the return of the Lands Between on June 2018. Thanks for your support. Regarding the other titles: Dragon Marked for Death The world's strongest dragon is dead. Is the revived Dragon King dead, too? The dragon, which is covered with red blood, has begun attacking the towns and villages of the city of Gran Caldera, bringing an end to civilization. The people of Gran Caldera must return the Dragon King to the dragon realm. But the Dragon King's revival is putting the lives of people at risk. Dragon Marked for Death is a fantasy action game developed by PlatinumGames. The story takes place in the world of the Mana series where the game begins with a prologue set one year before the main story. Mana Khemia: Alchemists of Al-Revis Alchemists of Al-Revis is a fantasy action RPG where the two major factions fight with alchemy. It is a mystical history in which the world is a world of lies. As you journey through an adventure with a group of friends, who are embarking on their first alchemical journey, your actions can change the fate of the entire world. Mana Khemia: Alchemists of Al-Revis is developed by Artdink Inc. In addition to the main story, there is a second branch which follows Arata's childhood and his struggle in overcoming the demons that stalk his dreams. A third separate story set after the end of the main story will begin on July 2018. Mana Khemia: A New Promise/The Legend of Mana Mana Khemia: A New Promise is a fantasy action RPG which takes place before the events of Mana Khemia. Set in the region of Gran Caldera, a hero must gather ten legendary heroes, including the guardians of the Mana Tree, and journey to Marbia, a world which has become cursed. Mana Khemia: A New Promise is developed by MercurySteam. M

Best selling fantasy RPG Best Selling RPG game Best selling game in the site! lol If you guys keep your listings up, they are going to spoil everything from what makes this game great. Game quote: The New Fantasy Action RPG | Steam Version - Best Selling RPG Game Released The New Fantasy Action RPG is a role playing game released by George RR Martin. The player can immerse themselves in an adventure filled life in the world of the Alliance and the enemy continent of the Horde. The player begins life in the human kingdom of Tierre, exiled from Kvatch. The player will travel and research the lands, discover beings, monsters, and magic along the way. The player can equip their character with the right weapons and armor to battle orcs, demons and dragons as they traverse the lands. FEATURES: * Mix between the gameplay and a point 'n' click video game: This game was released for both Mac and PC. You create life in the world of Tierre in your virtual character. You live, fight, travel, and explore like a traditional RPG. * An epic story written by George RR Martin: The New Fantasy Action RPG is a new fantasy RPG created by the author of A Song of Ice and Fire aka "Game of Thrones". The story is very similar to Game of Thrones but the story is set in a completely new world that is completely developed in the game. * Dungeon exploration: To explore dungeons that are filled with danger and riches, the player is given the necessary abilities to combat the various threats. * Play through "Road to being an Augsburg": To fight as an exile in the HRE kingdom of Tierre. It is a real time game that takes 2 months per episode. * Combat terrains of Grunntig, a 3D environment: * Pets such as cats, dogs, and mules: In the story, you can possess animals that help you on your journey. * Weapons and Armor Made from real materials, not icicles: In the world of the Alliance and the Horde, you must battle in order to get the right materials to make gear for your equipment. * Great animations: The game has amazing animations, the issue of one could be that the game was made from parts already made. The guy that made the game I believe he is an illustrator as well, it could be that he could have animated. There was a
